WHO WE ARE?

Founded in 2013, Western Pest Control and Cleaning (WPCC) has blossomed from a fledgling spark of ambition into a trusted partner for Abu Dhabi's pest control and cleaning needs. We're a dynamic team of experienced technicians, certified agricultural engineers, and passionate individuals, united by a commitment to excellence and environmental responsibility. We wield expertise like a shield, crafting tailored solutions with Integrated Pest Management techniques and state-of-the-art equipment. We believe in impeccable cleaning standards and pest control that's safe for the environment and that's precisely what we deliver to our valuable clients. Over the years we have grown, refined, and expanded. Today, we offer various services from anti-termite treatments to pre and post-construction cleaning hoping to create a healthy and protected environment for generations to come.

AREAS OF EXPERTISE

PEST CONTROL

ANTI TERMITE

CLEANING SERVICES

WATER TANK CLEANING

KITCHEN DUCT CLEANING

OFFICE BOY DEPLOYMENT

PEST CONTROL

DOMESTIC PEST CONTROL

We provide targeted solutions for all common household pests, from roaches to ants to rodents and mosquitoes, ensuring you a safe and peaceful home.

COMMERCIAL PEST CONTROL

We provide discreet and effective pest control for offices, restaurants, shops, and more, minimizing disruptions and safeguarding your hygiene standards.

INDUSTRIAL PEST CONTROL

We have the expertise and resources to tackle complex pest infestations in warehouses, factories, and other industrial settings, ensuring efficient operations and a pest-free environment.

ANTI TERMITE

Whether it's before or after construction we ensure to safeguard your property from termite damage, utilizing advanced techniques and eco-friendly solutions for long-lasting protection.

CLEANING

COMMERCIAL CLEANING

Our meticulous cleaning professionals and state of the art equipment restore the sparkle to your workplace, ensuring a healthy and productive environment for your business.

RESIDENTIAL CLEANING

From deep cleaning to regular maintenance, we handle all your home cleaning needs, giving you back time and leaving your space spotless and serene.

INDUSTRIAL CLEANING

We tackle even the toughest industrial cleaning challenges, from warehouses to factories, maintaining high hygiene standards and ensuring operational efficiency.

KITCHEN DUCT CLEANING

Our specialized duct cleaning service creates a cleaner, safer kitchen environment. We eliminate grease buildup, improve airflow, reduce fire risks, and maintain hygiene standards.

WATER TANK CLEANING

We ensure your water stays pure and safe with our comprehensive tank cleaning service. Our experts use advanced techniques to remove impurities, preserving the quality of your water supply.

OFFICE BOY DEPLOYMENT

We provide reliable and skilled office boys to assist with daily tasks, errands, and light cleaning, allowing you and your team to focus on core priorities.

TESTIMONIALS

★★★★★

We recently rented an apartment and moved in, but unfortunately, there were severe cockroach issues and it was a shock to us. Thankfully, we found Western Pest Control and they were a lifesaver! The technicians made us feel at ease throughout the process. They even provided helpful tips to prevent future roach encounters. We are grateful for their expertise and prompt service.

Exceptional Pest Control & Water Tank Cleaning Services - Highly Recommended!

I recently had the pleasure of using the services of Western Pest Control & Cleaning, and I must say, they exceeded all my expectations. From the moment I contacted them until the final follow-up, the entire experience was seamless and impressive.

I wholeheartedly recommend to anyone in need of professional and effective pest control services & water tank cleaning services. Their commitment to customer satisfaction, eco-friendly methods, and expert technicians sets them apart from the rest. If you want a pest-free home and a stress-free experience, look no further!

Service: Rodent extermination

I would not hesitate for a second to recommend this team at any time to anyone. We had hired them due to a severe rodent infestation in our apartment but now at this point we had no further signs of the rats or the horrible smell in our kitchen hopefully the problem. Solved for good
